To whom it may concern,

We have worked with the ESTnergy Saving Trust and Rockwarm since November 2010 offering reduced cost or free cavity wall and loft insulation.

To date over 401 measures have been installed to private or privately rented properties in the Borough. During this time we have received no complaints and customer feedback has been very positive.

We would be happy to work with Rockwarm and the EST in any future promotions related to carbon savings.

Regards

Geoff Davenport
